OF GREENSBORO, NC

OBJECTIVE

Providing comprehensive residential treatment for men with mental health and substance abuse illnesses.

MEDICAL

All medical issues addressed including all doctors visit as well as RN managed and medtech supervised medication disbursement.

OUR MOTTO

At Transnet Home Group we believe no one has to be a victim of their past. We believe to know better is to do better and It is when we strive to do better that we are at our absolute best.

LOCATION

1703 Efland Ave.
Greensboro, NC 27408

PROVISIONS

QP supervised treatment plans offered with all medication managed by a on staff RN as well as 24hr Certified Nursing Assistant managed care in a sober home with all meals provided. Transportation provided to and from all daily activities. Including all AA and NA meetings. In house group discussions as well as counseling sessions provided. Daily sober activities provided including bible study as well as art and music treatment programs. A deep inner assessment centered on self-improvement is a central focus of our treatment program. We offer a 8-12 month residential treatment program. Our focus is on treatment of dual diagnosed clients with treating both diagnosed illnesses and their symptoms. Our management motto is to take the client from where ever they are and transition them back to being energetic and productive members of the community.

HOME SWEET HOME

Three private rooms with one semiprivate room, all rooms have in room Direct-tv. Our Facility has 2 full baths with a half a bath located off the kitchen. A fully managed kitchen where nutritional tasty meals are prepared for breakfast, lunch and dinner. A at home style living day room area with a large 60 inch Flat screen tv and a complete computer desk set up available to all clients. Complete internet wi-fi access thru out the home. Our treatment plan includes three day a week trips to the YMCA for instructional work outs, including swimming for all our clients. We foster complete treatment for the mind, body and soul. You can achieve the rewards of recovery by what you do today and strive for in your future. For treatment consideration feel free to contact our Director Trent Thomas at 336-965-7186.
